

## Telehealth Training

Training on Telehealth and Telemental Health, legal license requirements, HIPAA Compliance, and other topics to help you reach your telehealth goals.

Telemental health training is required by professional license boards and ethical policies. Our live training program teaches you the essentials to providing telemental health services. Other training is also available and can be tailored to larger groups. This training answers questions about:

- Legal-License Requirements
- Obtaining Clients/Patients
- Liability insurance
- Emergency Response
- Known Risks to Avoid
- Reimbursement
- Video Requirements & Etiquette
- Crossing State Lines
- HIPAA Compliance
- Informed consent
- Choosing Software/ Technology
- And Much More

Not sure where to begin?

We are always here for you. If you have any questions, our support team is happy to talk.
